Letter No. 15539 (A) P & D II/48-6 dated 7.4.1948.

To

M/s. Burmah-Shell Oil Storage & Distributing Co. of India Limited., Madras.

Sirs,

Sub:- Fuel Oils - Supply to Cotton- ginning and pressing factories

The Government are receiving complaints from consumers that diesel oil is being sold by Agents at three times the price fixed by the oil companies and that ginning factories are not able to work for want of oil. This is the ginning season and if ginning facilities are not afforded to the cotton growers they will be compelled to sell the cotton with the seeds to merchants and factory owners in towns and this will cause hardship and loss to the growers. In order to prevent the exploitation of the agriculturists by middlemen due to want of ginning facilites the Government consider that ginning factories may be given temporarily high priority for supply for diesel oil. I am accordingly to request you to instruct your Agents to supply oil to ginning factories and presses on a high priority basis
